DFCM Project #: 03234730

Subject: **Addendum 9**

---

The following items are incorporated herein as Addendum 9:

- 1- Modifications to the RFP

**Old Main Building  
Remodel and Seismic Upgrade  
Southern Utah University  
Cedar City, Utah  
DFCM Project No 03234730  
ADDENDUM NINE (9)**

**1. MODIFICATIONS TO THE RFP**

Add the following to the RFP: “Due to current difficulties with project funding and other opportunities being considered by SUU, the project’s procurement process will be suspended by DFCM indefinitely. However, DFCM retains the option to re-open the project’s procurement process to the short-listed firms. If and when that option is pursued, the project may be revised. All bids recently received from the short-listed contractors are no longer binding.”

Please contact Matthias Mueller at 538.3431 if you have any questions.
